

THE WAKEFIELD HIGH SCHOOL

PTA Bulletin

P. T. A. MEETING

March 25, 1957 - Auditorium - 8 p.m.

8 p.m. --- Brief business meeting

P R O G R A M

AFTER HIGH SCHOOL - WHAT?

The responsibility of helping our boys and girls plan for future employment along lines where their particular interests and abilities can be used to the best advantage poses a real problem to thoughtful parents.

The purpose of this meeting is to point out some of the opportunities that are available in this metropolitan area, both for the student who is terminating his education with high school and the one who is going on to college.

Since the subjects to be discussed should be of interest to students as well as parents, the Wakefield students are invited to attend this meeting.

Introduction of program and speakers - Mr. Richard Neal, Guidance Counselor, Wakefield High School.

Distribution in a Suburban Area, Mr. Kingsley Higgins, King James Furniture Co.

Employment Opportunities in Government Service, Dr. O. Glenn Stahl, Director of Bureau of Programs and Standards, United States Civil Service Commission.

Today's Challenge of Science, Dr. Charles V. Strain, Superintendent of the Radiation Division, Naval Research Laboratory.

Wakefield's Role in Helping Students Find Employment, Mr. Neal.

THE WAKEFIELD HEALTH COUNCIL

Did you know that there are children attending Wakefield who need shoes? medical care? articles of clothing? The Wakefield Health Council is preparing to do something about it but they need YOUR help.

There will be a drive for old newspapers and magazines during the week of April 8-13. You are urged to bring all those old papers that are cluttering up your basement and garage to the outside storage area near room 1 at Wakefield anytime before 4 o'clock during the week or 12 noon on Saturday, the 13th. Urge your child to carry a small bundle to school each day but be sure they are tied together. If you don't have a car to carry your donations to the school, call Sandy Dean, JA 5-3016.

NORTHERN VIRGINIA SCIENCE FAIR

The Northern Virginia Science Fair will be held April 4 through 9 at the Wakefield Senior High School in Arlington. Recognizing the great need for scientists in this country the Alexandria-Arlington-Fairfax Real Estate Board will sponsor the Northern Virginia Science Fair and have the privilege of financially underwriting this event.

It has been widely publicized over a period of years that there exists a critical need for scientists. This need can be met by arousing more interest in our young people in the pursuit of scientific careers. The Science Fair has helped to spark such interests and it is felt many more young men and women are being encouraged to enter this field

Urge your child to participate in the coming event.

MEMBERSHIP

A salute to our professional staff. "112 of the 122 (or 92%) professional staff members have joined the Wakefield P. T. A."

ANNUAL MEETING NORTH VIRGINIA DISTRICT P.T.A.

Annual Meeting North Virginia District P.T.A. to be held Wednesday, April 10, at Annendale Elementary School, Columbia Pike, Annendale. Registration will begin at 4:30 P.M. followed by a business program. Dinner at 6:30 P.M. An evening business session at 7:30 P.M. Reservations for dinner, \$1.50 each, must be made with Mrs. R. K. Salyers, Jr. - (Dinner reservations must be made and paid in advance by April 1) A principal item on evening program will be a discussion and determination of the Northern Virginia District position in respect to the proposed State P. T. A. Legislative Program. Each local P. T. A. is entitled to two delegates plus one additional delegate for each 25 P. T. A. members. Accordingly, Wakefield should have an excellent representation and we encourage your attendance.
